

**Quilt Guild of Metro Detroit presents
Scrappy Applique Workshop**

Nico Laudenberg

<http://www.bug-and-bee.de>

November 16, 2022

Workshop Description:

Learn a new technique and go home feeling accomplished: with an almost finished new wall hanging (or table runner, quilt block, pillowcase...). The simple raw-edge applique technique by Shannon Brinkley is a fun, easy to pick up process that works well for beginners and advanced quilters alike.

Each student will be able to select a pattern from those provided by Nico, and we will go through the whole process together, step-by-step.

The supply list will be sent after registration and additional patterns and kits will be available for sale through Nico. If you wish to peruse Shannon Brinkley's many additional patterns, you can visit her website at <https://shannon-brinkley.mykajabi.com/quilts>.
