

# Barn Quilt Painting Workshop

by Suzi Parron

Wed, May 17, 2017

## DESCRIPTION:

Join the barn quilt movement by creating your own painted quilt block.

You will begin with a pre-primed board and go through each step—drafting, taping, and painting, with careful attention to detail.

The workshop lasts about 4 hours.

You will leave with a finished quilt block or with one last color (which will be provided) to add at home. Ready for show and tell at your next meeting!

The finished product will be two-by-two feet and is the perfect size for mounting on smaller buildings.

## Supplies provided:

- Pre-primed 2 by 2 foot board. The priming is a two-day job, which is already done for you!
- Suggested patterns ready to transfer (you may bring your own, but keep it simple— and be ready to draw it onto the board)
- Paint
- Foam brushes
- Colored pencils and other tools

## Supply List:

- Painter's tape--partial roll or two can share. Yellow or green "Frog tape" brand is best, but blue Scotch brand is fine.
- Yardstick or 24-inch Ruler
- Pencil
- Blow dryer for every 3-4 people
- Coverings for tables
